

AICZ Monthly Member Profile

A member will be profiled approximately every month on the AICZ webpage (aicz.ch) – pending enough interested members.

To be featured as a monthly profiled member, please furnish us with one photo that can accompany your profile (e.g. a headshot).

Please accompany the photo with two paragraphs maximum about yourself. The goal is to let other members «meet» you and you can decide what to tell them.

You might want to consider the following questions when preparing the information. These are just *suggestions*.

- What brings/brought you to Switzerland/Europe?
- If you have been here for a while, what keeps you here?
- What do you like/dislike about expat life?
- What is/was the biggest hurdle in coming to / staying in Switzerland /Europe?
- What would you like your fellow Club members to know about you?

Important!

The final text will be edited and agreed upon in conjunction with Margaret Reilly Baer, Club President, and/or Jeanette Bider, Executive Committee Standing Member, before being posted to the webpage.

When preparing your text, please remember that the Club is a non-political international networking forum. As such it has no political affiliations or objectives and is a non-profit organisation.

By providing the photo and text, the member agrees that he/she approves of the photo and final text and that the AICZ may publish said photo and text on the AICZ website for at least one month.

Please send text and photo to margaret.reillybaer@aicz.ch and copy info@aicz.ch.

We look forward to hearing more about you!
